Why do students join Insworld?

Whatever your age, the Insworld advantage is built around catering for your individual needs.

Here are some of the ways that we are able to meet each student needs.

✓ Our average class size is between 4-12 students allowing our students the chance to have one on one time with the teacher

✓ An English speaking environment where students are only allowed to speak English at all times

✓ A specially designed course that focuses on preparing students to use English in a class environment

✓ Exercises to build students confidence in using English through group work and presentations

✓ Excursions around Singapore, in which students will be given the opportunity to practice their English

✓ Extra curricular activities such as drama and singing to help the students advance outside of the classroom

✓ Equal emphasis is placed on speaking, writing, listening and reading, ensuring the student has a well rounded English ability

‘English prepares you for the real world’

TESTIMONIALS

“EAS has improved my English and has helped me communicate better. I’ve been able to make new friends from all over the world.”
